Bulky Waste Vouchers & Cart Placement Tips

Kerrville, Texas (July 24, 2015) – The City of Kerrville would like to remind utility customers that free vouchers for the bulky waste drop-off at the landfill are available at City Hall. The voucher may be picked up by the account holder at the Water Records Office. Vouchers may be used during normal operating hours of the landfill until expiration of September 30, 2015. A copy of the most recent utility bill must be presented with the voucher when dropping off the bulky items. The landfill is open Monday – Friday from 7:30 a.m. – 4:50 p.m. and Saturday from 8:00 a.m. – 1:00 p.m. The landfill is located on Landfill Road at 3315 Loop 534.

There are a total of four bulky waste opportunities per year which include two bulky waste pick-ups and the two vouchers for free bulky waste drop-off at the landfill. The next bulky waste curbside pickup is scheduled for October 2015. Please reference the [collection packets](#) online at www.kerrvilletx.gov under the Public Works Department as dates are specific to address route service days.

Bulky waste items include residential appliances such as washers, dryers, stoves, water heaters, furniture, and other items not regularly picked up during weekly collections. Refrigerators, freezers, and A/C units are allowed only if the refrigerant has been reclaimed, and the unit has been tagged by a licensed technician.

Solid Waste and Recycling Services Tips

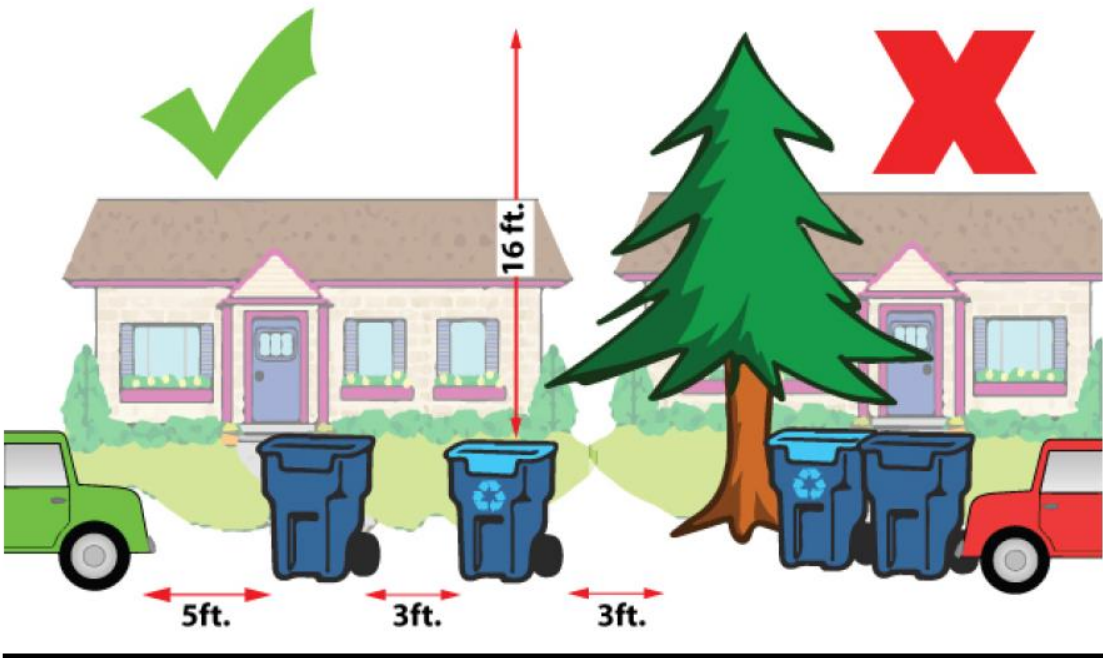

To avoid service interruption for solid waste and recycling, please be sure to place carts as follows:

Cart Placement:

- Carts should be placed on the street, not the lawn, sidewalk, or curb.
- Please place all carts at least three (3) feet away from objects such as mailboxes and other carts, and five (5) feet away from vehicles. Multiple carts are to be placed side by side (and at least three (3) feet apart), not behind one another.
- Where possible, a 16 foot clearance from trees and power lines should be considered.
- In order for the truck to be able to access the carts, please place the cart with the handles facing your home and the metal bar facing the street.
- To find your service day, please reference the [route collection map](#) at www.kerrvilletx.gov (Departments/Public Works/Solid Waste/Waste Collection).

For additional information contact Ashlea Boyle, Special Projects Manager at (830) 258-1153 via e-mail to ashlea.boyle@kerrvilletx.gov or visit the city's website at www.kerrvilletx.gov.
